

4x4x24 Split Face Solid Block

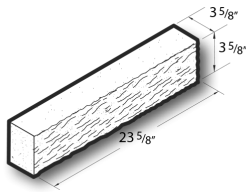

Product No: 4030000ca

BEST BLOCK LFM™ concrete masonry units are pre-finished and ready to bring a striking appearance to large scale walls, columns and accent areas. These stately CMUs feature one or more faces that are machine processed to produce three distinct finishes: polished, textured or ground face. Either choice brings out the beautiful, variegated color of the natural aggregates used to manufacture the units.

- Provided with integral water repellants.
- Can be manufactured with bullnose, chamfered edges, or vertical scoring.
- Meets all ASTM and LEED standards.
